

## RIVER VALLEY MOUNTAIN BIKE ASSOCIATION 2023 SPONSORSHIP

Dear Patron,

The River Valley Mountain Bike Association is a volunteer organization with the mission of expanding mountain biking and hiking opportunities throughout the Mid-Ohio Valley.

Your financial contribution supports-

- Local trail development and maintenance at the Marietta Trail Network, Mountwood Park, North Bend State Park, and the Marietta Unit of Wayne National Forest.
- Local cycling events such as the Challenge at Mountwood and Take A Kid Mountain Biking Day.
- Local programs such as the River City Singletrack Serpents youth mountain biking team.

In the past year, RVMBA volunteers have contributed over 1600 hours valued at more than \$48,000. This effort resulted in the maintenance of nearly 200 miles of local trail as well as the construction of several new trails. RVMBA also planned and executed the Challenge at Mountwood race in 2022 with 184 racers attending. Additionally, RVMBA has continued work with the Washington County Health Department and Marietta Main Street to support the "Bike Marietta" program which included the installation of kiosks and maps at major trail heads around town. In 2022, RVMBA volunteers installed additional signage with rules of the trail and emergency contact information.

Looking forward, plans are underway for the 2023 Challenge at Mountwood, scheduled for April 16th. In addition to this, RVMBA has created branding for our regional trail systems by establishing the River Valley Trails name and logo. The River Valley Trails was formed with the purpose of offering consistent visual information for visitors and locals who use trail systems in the region.

If you've been a sponsor in previous years, we thank you for your support and hope you'll join us with our new expanded sponsorship opportunities. If you've never been a part of RVMBA, we hope you will consider making a contribution. RVMBA is a 501c3 non-profit organization and contributions may be considered tax-deductible.
